

EXIM SERVICE KFT DATA PRIVACY STATEMENT

1. INTRODUCTION

This data privacy statement is for all persons who visit our website (www.exims.eu) and make use of the services provided. This data privacy statement explains to the user how, how much and for what purpose personal data is collected and used on this website by the provider responsible for it, i.e. **EXIM SERVICE KFT, Podmaniczky str. 57.2/14., 1064 Budapest, Hungary, e-mail: info@exims.eu, tel.: +36 70 522 09 45.**

You are also informed that your (personal) data are collected on our websites and stored electronically. All data are stored and processed by us in compliance with the relevant statutory regulations of Hungary on data privacy and data security. This data privacy statement will comply with the European General Data Protection Regulation from 2018 ("GDPR" means Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data). You must accept this data privacy statement in order to visit our websites and use our services.

2. DEFINITIONS

2.1 NON-PERSONAL DATA

2.1.1 Our website, if available, may be visited at any time without you having to provide personal data. Exim Service stores the following non-personal data:

- a) Browser type and version
- b) Operating system
- c) Referrer URL (the specific webpage from which a link was followed to our website)
- d) Host name of the computer accessing the website (IP address)
- e) Time and date of the server request
- f) Device

2.1.2 Such data are analysed by Exim Service and used to improve our products and services (such as for the purpose of research and data analysis). You cannot be identified on the basis of such data.

2.1.3 This data is logged exclusively for statistical purposes related to operating the website, system security and optimising the service. Nevertheless, the provider reserves the right to subsequently review the log data if there are any clear indications for a justified suspicion of illegal use.

2.2 PERSONAL DATA

2.2.1 Any data you disclose by e-mail or in the contact form is voluntary. We use your data to process your request and for internal purposes, such as to improve our services and products (for the purpose of data analysis, research etc.). Our website record and store the following data: first name, surname, telephone number, e-mail address.

2.2.2 All personal data are kept strictly confidential by Exim Service and are not provided to third parties without your express consent.

2.2.3 By way of exception, Exim Service is entitled to provide the data to third parties if it is under a legal obligation to do so, for example if it is required to disclose the data to public authorities.

2.2.4 If we use data for a purpose requiring your consent pursuant to statutory regulations, we will request your express consent. Your consent will be documented in compliance with the relevant data privacy regulations. You may revoke the consent that you have given at any time with effect for the future and/or reject the future use of your data for the purpose of advertising, market research and opinion research. To revoke your consent or reject such future use, it is sufficient to send a simple message to Exim Service by e-mail info@exims.eu. To ensure prompt processing, please use the contact details given above. You will not be charged any additional costs for contacting us.

3. USE OF COOKIES

3.1 Software is used on this website for the purpose of analysing use of the website. Analysis of the data enables valuable information to be gained about user requirements, enabling us to further enhance our products and services.

3.2 Cookies are also used for that purpose. Cookies are text files that are stored on the computer of the visitor to the website, allowing the visitor to be recognised on an anonymous basis. Cookies in general can be blocked or deleted by adjusting your browser settings.

3.3 By using this website, you consent to the use of our websites being analysed in the manner described above.

4. GOOGLE ANALYTICS: DATA PRIVACY AND THE OPT-OUT OPTION

4.1. This website uses Google Analytics, a web analysis service of Google Inc. ("Google"). Google Analytics uses cookies, i.e. text files that are stored on your computer and that enable analysis of your use of the website. The information generated by the cookie about your use of this website is generally transferred to a Google server in the USA and stored there. If IP anonymisation is activated on this website, your IP address, however, will be shortened by Google within the Member States of the European Union or other states that are signatory to the Agreement on the European Economic Area. Your full IP address will only be transmitted to a Google server in the USA and shortened there in exceptional cases. On behalf of the operator of this website, Google will use such information to analyse your use of the website, to compile reports about website activities for us as the website operator and to provide further services associated with use of the website and internet use. The IP address transmitted by your browser in the scope of Google Analytics will not be merged with other Google data.

4.2. You can disable storage of the cookies by adjusting the settings of your browser software; however, please note that doing so may prevent you from being able to use all the functions of this website in full. In addition, you can prevent transmission of the data generated by the cookie about your use of the website (including your IP address) to Google and the processing of such data by Google by downloading and installing the browser plug-in that is available at: <http://tools.google.com/dlpage/gaoptout?hl=en>

4.3. For further information about the terms of use and data privacy, please see <http://www.google.com/analytics/terms/us.html> and <https://support.google.com/analytics/answer/6004245?hl=en>.
